The Brooklyn Borough President's Office Topographical Bureau is a Charter mandated office and fulfills the duties of the Brooklyn Borough President to assign and maintain a record of street addresses as well as to maintain the City Map of the borough. The Topographical Bureau (Topo) is also responsible for maintaining and assisting the public with survey monuments & benchmarks information and records of street ownership for the city. The department is currently looking for an individual to assist in the daily functions related to street addresses and customer service.

Topo is seeking a highly motivated and organized individual to assist senior staff in the daily operation of our customer service counter. This includes but not limited to intake, research and completion of house number applications and related issues; interpreting and copying information for the public regarding survey benchmarks and monuments as well as copies of maps filed in this office.

Responsibilities

- Process house number applications and manage the intake and release of house address applications and verification requests.
- Assist senior staff with research and gathering of background materials for address applications and verifications and assist with the preparation of such requests.
- Assist the public visiting the office in obtaining house address and map information, including the sale of agency materials, and copying of said material as necessary.
- Provide related advice to visitors pertaining to Topographical transactions as requested, or as needed.
- Maintain house address and property file record systems. Monitor the condition and maintenance of the office Sanborn and Belcher-Hyde property map sets.
- Perform other general office tasks, such as filing, answering phones, receiving visitors and other tasks consistent with this position within Topo and the agency in general.

Preferred Skills

- At least 1 year of full-time experience in customer service, planning, design, research, investigations, and/or studies related to urban design, land surveying, and/or engineering.
- Ability to work in a team environment and collaborate effectively with others.
- Ability to work independently when necessary and take initiative.
- Able to prioritize and multi-task.
- Strong written, verbal, research, and presentation skills.
- Experience in customer service.
- Knowledge of Microsoft 365 (Word, Excel, PowerPoint, Teams, Outlook).
- Knowledge of AutoCAD and/or ARCGIS is a plus.

Required Qualifications:

1. A baccalaureate degree from an accredited college and two years of experience in community work or community-centered activities in an area related to the duties described above; or
2. High school graduation or equivalent and three years of experience in community work or community centered activities in an area related to the duties as described above; or
3. Education and/or experience which is equivalent to “1” or “2” above. However, all candidates must have at least two years of experience as described in “1” above.

To apply: Submit a resume, cover letter, and the contact information for three professional references to bkbphr@brooklynbp.nyc.gov with the subject line “Topo Information Officer”. Submission of an application package does not guarantee that you will receive an interview. Only those candidates under consideration will be contacted.
